NEW RED ASTER SENSATION

The reddest of all red asters, the color being a rich dark garnet or ox blood red which glistens in the sunshine like a live coal. The plants are of the free branching habit, about 18 inches high, the double flowers averaging about 3 inches in diameter are borne freely on stems about 12 inches long. Price \$10.00 pound.

NEW ASTERS

Vicks Heart of France, New White Peerless, New Early American Beauty, New Moreton Shell Pink, Lady Roosevelt, Peerless Pink Crimson Giant and Enchantress Pink. \$8.00 per pound.

THE NEW CALIFORNIAN BEAUTY ASTERS

A new late type of the late branching asters, coming into bloom the first week in October. When the season is long enough to mature the flowers, they are a valuable addition to the late branching asters. Colors:—Deep Rose, Lavender, Purple and Shell Pink. \$8.00 per pound.

QUALITY MIXED ASTER SEED \$4.00 PER POUND

All growing crops are subject to your inspection when in flower and if at that time the crop is not up to your high standard of quality you are at liberty to countermand the order.

In case of shortage in the crops all orders taken before March 1st will be filled pro rata. Orders taken after March 1st will be filled only subject to a surplus at surplus prices.

Terms 2 per cent. for cash January 1st or net cash 30 days.

The above prices are for seedmen only.

An extra charge of 25 cents will be made on all quarter and one-half pound lots.
